## TO WHOM IT MAY CONCERN

I am very pleased to confirm that Michael Chin is organising the "Make a difference" Investment Seminar event on July 12<sup>th</sup> 2008 to raise funds for The Cancer Council Western Australia.

The Cancer Council is committed to:

- Preventing cancer
- Saving lives from cancer
- Enhancing the quality of life for cancer patients and their families

To achieve this, the Council funds cancer research, community education projects to help people reduce their risk of cancer, and a wide range of support services and practical assistance to cancer patients and their carers with specific support for cancer patients and their carers.

As a non profit, non government organisation the Cancer Council relies on community donations to fund our programs and services, The funds raised by Michael and his supporters will make a valuable contribution towards cancer research. Any assistance you can provide would be greatly appreciated.

Yours sincerely
