Dear O-Day Festival Stall Holders,

RE: UWA Student Guild O-Day Festival Thankyou and Survey

This year's O-Day Festival was once again a huge success for the UWA Student Guild. With some minor but positive changes we managed to attract a massive cohort of students and other members of the community to this year's Festival. A large part of the O-Day Festival is the great atmosphere created by all of the Stall Holders, so a massive thank you for helping us make this event the biggest campus event of the year! Without your help, the O-Day Festival would not have been possible or nearly as fun!

We've had loads of positive feedback about the Festival, mainly through our 'Win Stuff' student survey but also from the university, the local council and some of the stall holders. One issue that keeps arising each year is the noise pollution from groups with amplified music. We've tried to over a number of years to manage this issue, but with little success or assistance from the groups making the noise. I raise this now to pre-empt next year's emphasis on this matter and ask for your co-operation when the time arises.

On a lighter note, whether this was your first year attending the O-Day Festival or you are a veteran of the Festival, we hope that you had plenty of fun and success with your stall. To help us make the O-Day Festival even better for you and everyone involved next year, we've created a 2-minute survey for you to fill out and return to us. As soon as you read this, we would greatly appreciate it if you could fill out the survey and post/fax it back by Thursday 9 April (just before Easter).

Thank you again for your involvement this year and we look forward to seeing you again in 2010!

Kind Regards
