

# I GOT THE BRAINS, YOU GOT THE LOOKS, LET'S MAKE LOTS OF MONEY!

We are looking for intelligent and quirky guys with a savvy intellect to be part of Australia's "Beauty and the Geek".

## **FINALLY BEING SMART COULD PAY OFF WITH A MAJOR PRIZE!**

We're turning the tables and showing Australia that smart geeky guys have more to offer than male models. If you can teach a beauty a thing or two AND think you could learn a few things from a socially savvy woman, then this is your perfect opportunity.

Whether you're a movie buff, chess whiz, mensa member, computer nerd, D&D leader or just need some advice from a bunch of beauties then.....
