the national conference for computing students

compcon.net.au

28-30 September 2013
The Australian National University, Canberra

Early bird tickets only $35 until August 31st
Travel scholarships available for interstate attendees

CompCon 2013 will be the inaugural national conference for students of Computer Science, Software Engineering, Information Technology and related technology disciplines. CompCon is run by students, for students!

At CompCon 2013, you'll get:

- Talks by industry professionals, academics and researchers
- Hands-on technology workshops
- Social events
- Hacking sessions
- Careers fair, featuring some of Australia's leading employers
- Conference dinner

...and more!
