Sponsorship of Student Clubs and Societies 2019

The University of Western Australia, with support provided by BHP, is excited to announce the establishment of a funding program designed to support UWA Student Clubs and Societies.

The funding program is designed to help Student Clubs and Societies to deliver programs and activities that are aligned to the Student Experience strategy, (ref framework and discussion paper) and pursuit of the following goals:

- Learning Opportunities: All students will have access to a broad and dynamic range of co-curricular activities that add value to their educational outcomes at UWA
- Digital Capability and Engagement: UWA will utilise and maximise digital systems and data to provide a personalised, engaging and relevant student experience
- Student Wellbeing and Success: Students will be provided with support, guidance and relevant programs that optimise their academic success and sustain positive well being
- Vibrant and Connected Community: UWA will be welcoming, contemporary and an engaged community for all students which has a strong sense of belonging and fosters an ongoing connection to the university
- Career Development and Employability: Students will be provided with ongoing and relevant career development opportunities through which they identify their career goals and maximise employability
- Inclusive and diversified student community: UWA will foster aspiration for higher learning for all, which celebrates difference and inclusivity
- Indigenous knowledge: UWA Indigenous students are supported to succeed, and Indigenous cultural will be embedded across all aspects of the student experience, for the benefit of all students
