## GET INVOLVED

Uni isn't just about classes – there's SO much else going on! With over 24,000 students and 1000 events per year at UWA, trust us: you'll never be bored.

Joining a club is a great way to meet people with common interests, have fun, and develop your skills. You may even like to run for a committee position, which will give you valuable experience and look great on your résumé.

Our clubs cover everything from anime to zoology, so you're sure to find one (or two, or ten) that interests you!

And by the way, if there doesn't happen to be a club dedicated to your interest yet, the Guild offers grants and support to help you start one! Get in touch with the Societies Council to discuss your idea (email [soc@guild.uwa.edu.au](mailto:soc@guild.uwa.edu.au)).

Happy clubbing!
