

# UCC PROJECT NIGHT

University Computer Club, The

**PLEASE NOTE:**  
This is a preview only. The public will not be able to see this page. To show the event, it needs to be approved and not hidden from the calendar.

The University Computer Club hosts project nights each Monday which brings together students, alumni, and other members of the club to work in-person on tech-related projects.

## Event Details

 **ucc**

This EMP is submitted to request access particularly for non-campus card holders to attend the club on Monday afternoon/evening for the next four weeks, under current Phase 4 COVID guidelines and adhering to the clubroom limit of 11 persons.

UCC has a system in place to trace attendees through its systems and will be able to keep this information for contact-tracing purposes to satisfy the requirements from UWA regarding Phase 4 contact tracing.
