

MIRVAC INTERNSHIP PROGRAM

A paid full-time summer internship program designed to build your career in the Property & Construction Industry.

- 12 weeks full time Summer Internship within your team in Sydney with a hybrid of office and remote working
- Work on projects within your team and a group Hatch Innovation Project with your intern cohorts
- Learning programs to build upon your professional and technical skills
- Networking opportunities across business teams and Senior Leadership Teams
- Guided lectures each week with our Mirvac Leadership Teams
- Support structure including your Team Manager, Buddy and Intern Program HR Team member
- Social networking events with your intern peers

At the completion of your summer program a review meeting will be conducted, and you may be offered the opportunity to continue within your team in a tailored working structure (Full time, Part Time or Casual throughout 2022 and beyond).

Applications open March 2nd, 2021 and close April 25th, 2021
