##### **- Librarian**

- There are books. There will be more books shortly.
- Board Games night still booked.
- Large amount of resources out due to Unihall event. More going from Swancon

#### > **Overdue resources**

- 

#### - **Fresher Rep**

- Freshers still alive.
- Trying to convince people to be on my fresher table.
- "Come on my table"

#### **The Usual Suspects**

##### - **Oneshots**

- Last Oneshot unsuccessful, probably lack of advertising and page problems.
- Facebook page later on.

> Gavin to make EMP for the oneshot.

- Strange BBQ moved to Friday 11th of April; beginning at 12pm and ending at 7pm.

> Tom Handley to contact GMs for The Strange Oneshot.

#### **Events**

##### - **Chess Club Collaboration**

- Liam's been dead. Updates will happen soon; will try to push for it to happen in the Loft.
- Possibly going to do it in Week 8. =

> Liam to organise time for Chess Club Collaboration tonight. Liam to also put up Facebook Event.

### **- Quiz Night**

- Tickets are being sold, but not very often.
- Event yet to go up because of trying to sort out thing with Facebook Page.
- Writing starting this week.

### **- [REDACTED]**

- Meeting with Kasey at 1pm on Tuesday the 18th
- Leadership Training on Wednesday / Thursday.
- On track.

### **Swancon**

- Most days Taylor managing games room.
- Borrowing plastic bins from UCC to take games along
- Highly encourage everybody to go.
- To investigate whether Edward is eligible for gold coin entrance.

### **LARP**

- Waiting for other clubs to organise.
- First sub-committee after the Study Break.
- Want to have LARP week or 2 before we come back for Semester 2.
- Biggest benefit directly from the page.

### **International Tabletop Day**

- April 29th Saturday - possible do Chess Club Collaboration on that day.
- Otherwise, if this happens on a different day; have a come play games day.

### **Gatekeeper Applications**

- Roy William removed from Gatekeeper. Kieran Brown added to Gatekeeper.

### **Splat Buy**

- Tales for the Yawning Portal Splat Buy. Dnd 7 dungeons.
- Good for Oneshots; can help you if you've got nothing prepared.
- Would cost \$26 to splat buy the item.
- Essentially GM Resources.
- Vote passess, Donald to be reimbursed.

### **Fresher Campaigns**

- Need to continually allocate people as they drop out.
- Winslade's campaign probably needs more people..

### **Room Update**

- Right now; 3 quotes currently sitting on the table
- \$1500 to sand and varnish floor, \$1100 for Industrial carpet, \$600 for regular carpet.
- Room renovations likely to cost Unigames.
- Saved lots of money on shelving and raised money specifically for new room.

- Committee willing to invest the extra \$400 if industrial carpet approved so as to sand and varnish floor.

### **Facebook Page**

- Option 1: Cull one hundred people every year
- Option 2: Make the Page Public. More accessibility of the club but less closely not community.
- Option 3: Make public page all events can be shared to, as well as a private group.
- Benefit of private page - unmoderated shitposting
- Making page public means you still can't invite the whole group.
- Option 4: Mailing list needs to be used more.
- Have a mass add of all people to mailing list with a mandatory unsubscribe.
- Once a week digest is possible. Emails need to be used.

> Gavin to make a Newsletter for regular usage of mailing list.

- Desire to trial making the group public for a set period; after a month see how it's gone.

> Donald and Liam to inspect respective insanely large pages and see what the deal is.

- Want to do a testing period ASAP
