- Who makes an EMP 14 page pdf that is not form fillable?
- Has some sort of Facebook event invitational magic powers.

- I am unavailable until Monday.
- Board games day should be organised before that.

- Hello. I'm not dead. But was all week.
- Only technical difficulties during meetings
- Newsletter is done? But like there wasn't much to do but is still done. Will go out with these minutes. If you're reading from these minutes, welcome.
- Last week, discovered difficult to make template for the signup thing. I need a three dimensional forms and it'll work properly.
- It's super wide but rest of committee doesn't seem to have a problem with scrolling so I guess I did it. (It's not a problem until people get angry)

> Gavin to share thing he made with committee after meeting.

#### **- Librarian**

- Purchased Call of Cthulu 7th Edition, Mutants and Masterminds 3rd Edition, Shadowrun 5th Edition. Red Dragon Inn, Pandemic: On the Brink. Harbour has been ordered from Amazon.

##### **- Oneshots**

- Oh dear.
- UCC Fresher Lan and few DMs free when we planned this event to happen.
- Taylor wants to run Microscope at 12pm.
- Strange thing about the barbeque is the Strange is not there.
- Death of BBQ (at least I know how to do it). Rises like a phoenix in literally a week.
- May move BBQ aspect to Chess Club Collaboration.
- Friday no BBQ; Microscope instead.
- NEW ONESHOT: Microscope at 2pm 21st of April. Strange BBQ cancel.

##### **- Boardgames**

- Board Games next week.

- We're doing Chess Club Collaboration.

### **- Magic the Gathering**

- No draft last like, not enough people. Sold 3 people. Have 6 Kaladesh packs which is exactly enough to draft with given the turnouts.
- Can't sell anything if that happens; we'll see what happens.
- Ahmoket comes up in two weeks - nobody that interested in drafting right now.
- If Donald can get the product for an Ahmoket draft, then people will draft it. Otherwise we'll just run a Kaladesh.

- Neromunda has been running.
- Going as they always do.

### **Events**

#### **- Quiz Night**

- 12th of May - Get your Tables Organised: Start selling tickets.
- Liam likes his freshers, would like to go with them.
- Ben releases sick burn about Liam being old - smoke alarm shockingly remains off.
- Tables makes it cheaper but you don't have to have a table to buy a ticket.

#### **- [REDACTED]**

- Taylor and Ben have meeting with Casey at 1pm.
- Ben doesn't understand time, and thought it was earlier. You fool.
- Ben delivers less sick burn.

### **Swancon**

- Taylor claims it was really really good,
- Everyone agrees that Hamsterolle is a great game.
- Taylor recommends as per last year Hamsterolle and Tiny Epic Galaxies. Website where you can get it for \$80. Also recommends Automobiles, Terraforming Mars, Kodama, 7 Wonders (Sushi Go meets Splendour but complicated).
- Made a contact at Swancon; old unigames member who has over 500 board games in his house. Have a bunch of doubles and he doesn't play. If there's anything he recommends contact us and give us a price so we can see if we want it.

### **LARP**

- Liam dying over his own LARP

- Sub-Committee set up.
- Need to circulate regulations for sub-committee. Should be straightforward because we've done it twice now.

### **Gatekeeper Applications**

- None

### **Splat Buy**

- Taylor wants to put Hamsterolle up for Splat Buy.
- Ben: We're hemorrhaging money faster than a person hemorrhaging money
- Will do this next week, when Edward can back Taylor up.

### **Fresher Campaigns**

- Throw at people at Winslades game and see what happens
- Other than that, all good.

### **Room Update**

- Taylor has emotions.
- Taylor has seen carpet samples.

- Problems solved?

### **General Business**

- Student Leadership Training is on Wednesday and Thursday.
- Bunch of committee is doing the thing.
- Getting low on whiteboard markers. Can buy like 10 for \$5 from the Reject Shop.

> Gavin to buy \$5 for Whiteboard Markers from Reject Shop

- Security threatens with \$700 fine after overcooked pie set off smoke alarm.
- Have talked to Guild, we are not responsible for this fine.
- However, we do want to be careful if this is a thing that happens due to it possibly restricting the amount of microwaves in UWA. So don't be dumb with the microwave.

**Meeting Closed: 12:10pm**

**Action Items**

- > Gavin to email Casey to cancel Event / BBQ - because shenanigans.
- > Gavin to share thing he made with committee after meeting.
- > Gavin to go to Student Centre and book Loft.
