Agenda

Reports

- President

- Don't even get me started on sexist cobblers and dogs who refuse to open their eyes.
- Other news: Finished the business case!
- Barely slept this week.

- Vice President

- Ded.

- Treasurer

- Full dad mode. (Full beard, glasses, longer hair, v-neck sweater).

> Account balance

- \$5613.77

- Secretary

- Fresher Campaigns and Gatekeeper Applications removed from the minutes (temporarily as there are no updates on these) and Holiday Projects expanded into a larger sub-heading as they start becoming our main concern.
- I did some things, but not all the things.
- I sent Taylor all my qualifications for camp last week.

> Gavin to find out when Club Carnival is on and have the LARP minigame after that

> Gavin to draft regulations for this procedure to be reviewed next week. Give notice of outcome to Gatekeeper applicants at the end of review meeting; Accept, Reject or Defer.

- Librarian

- Things are overdue on the holidays.
- Screw future me: He's had something against me ever since he started putting on weight.

> Overdue resources

- Jonathan Van Buren: Epic Spell Wars, Wizwar, Red Dragon Inn and Agricola

- Fresher Rep

- I don't know what life is anymore
- My cat's an asshole.
- May not be able to come to camp because I may have a job. Will find out tomorrow.
- Long discussion about length of teenage dirtbag ensues.

The Usual Suspects

- Oneshots

- Hahahaha.
- It's the holidays.
- Gavin will unofficially run some because he needs to learn not to be a trash GM.

- Boardgames

- Once again, the holidays.

- Magic the Gathering

- Donald put up the event for the prerelease.
- Need to discern who exactly is running it.
- Poll made for holidays drafts: looks like people who are interested.

- Wargames

- Jake Neilson is doing a game to celebrate 8th Edition.
- This Sunday (18/06/2017) at 1pm.

Events

- Year 11 Future Students Event

- This is on the 23rd of June between 10:00 and 12:15.
- Both Alaura and Emily can be there.
- Games Chosen: Tsuru, Tsuru of the Seas, Ugg-Tect, Sushi Go!, Coup, Explodign Kittens, Love Letter

> Emily and Alaura to decide exactly what games they want.

- Camp

- Need to start hawking Camp more. Lift our hawk game. Don't have a lot of camp sign ups and we need to make sure people physically buy their ticket.

> Alaura and Edward to make a poster (each) for Camp.

> Taylor to draw up on the Whiteboard and the Window

- > Taylor, Emily, Ben and Donald to start writing quiz.
- > All committee to tell everybody about Camp.
- > All Committee members to email Taylor there First Aid, RSA and Food Safety Certificates.

LARP

- This is still happening but it's basically a holiday project.
- Should be good, if not it's Liam's fault.

Relay of Life

- Future Gavin's problem.
- Edward acquired the Jonty. You know what that means; We're running the whole time.

Holiday Projects

- Streaming

- The biggest thing regarding this section is the reformatting of the minutes. Exciting.
- When will my Tommy return from the prac.

- Stale Campaigns

- To be done by future people who are stale (like Taylor when she becomes Midguard)

- Finance Tracker

- Please do this as soon as camp is done.

- Article Thing

- We'll ask Frames if he wants to do this.
- We're going to ask Prema if she wants to help.
- Lev sent a bunch of leads about Unigames in the 90s.

- Room Update

- Taylor finally finished the business case
- Sent the business case but did not attach the document.
- Sent it in during the meeting.
- There's an SRC (Strategic Resources Committee) meeting next week so hopefully it gets decided upon then.

Splat Buy

- Hamsterrolle has been ordered by Taylor.

General Business

- New 40k rulebook has come out. Should be relevant for several years. Ben believes we should buy this.
- Ben asks why we don't use the US Dollar. Ed argues that its due to macroeconomic policy. Ben's response: woah woah woah, I don't give a shit.

Meeting Closed: 12:13 pm
