Events

Quiz Night Debrief

- It happened
- Ran without any major interruptions
- Had wrap up meeting on Monday
- UniSFA and Unigames found out we both did a bad job of ticket tracking
- Alaura did some good math and deduction to figure a fair way to divide profit
- Not many expenses
 - Most were venue and catering – we got 50% off the Tav for lots of drinks buying
 - \$92.50 total profit for UniSFA
 - Prizes are not expenses FYI for next committee
- Money current status with quiz night can be neatly summarised in this spreadsheet: (thank you Donald)

	Unigames	UCC + Online	UniSFA	Panto	Door	
Revenue	\$450.00	\$360.00	\$160.00	\$160.00	\$90.00	\$1,220.00
Expenses	\$50.00	\$60.00	\$600.00	\$140.00	\$0.00	\$850.00
Profit	\$92.50	\$92.50	\$92.50	\$92.50	\$0.00	\$370.00
Money to be given	-\$307.50	-\$207.50	\$532.50	\$72.50	-\$90.00	
(negative means club has to give money)						

- We would like another quiz meeting please
- Simon calls a vote on whether prizes are not considered expenses
 - For: unanimous
- Panto made kind of a big deal about the value of the Yoda doll but it's not meant to be an expense anyway
- Not counting prizes mix-up but, can expect about \$150 profit on top of reimbursements
- Jo to research past quiz night profits
- In terms of getting paid, can't do it yet because the numbers need to be rejigged
- UniSFA isn't having money deducted, just reimbursed
- Mixed reactions to questions

- Darkmittee misunderstood the true nature of club rounds (ie being about club Thing and not about club)
- The way it's been done in the past clearly works for a reason, keep doing that
 - Committee shitposts re lord of the rings
- Have to keep remembering to tailor to freshers
- Don't make questions easier just more generic
- I wrote a question that was in bad taste
- I apologised for it and people seem to be okay with that
- The food was good
- We all forgot the whiteboard like buffoons
- Officially rejecting distribution of money pending more discussion of whether or not to reimburse Panto
- Jo to write up alternative money distribution before next quizmittee

- Katherine didn't do an EMP for this because we've lost our EMP boi
 - We'll rush that through Guild, Liam's cool
