Events

LARP Debrief

- People seemed to enjoy themselves
- Small turnout
- We made a \$1 profit hooray!
- Let's do it again as a small lil winter event

President's Summit Debrief

- Minutes were in rtf format
- Relay for Life is coming up
- We need to apply for a team and a tent to be w/ Cam Hall people
 - Battle Tin
- Autumn and Will
- Guys start coming up with ideas for fund raising
- Unigames have asked us if we want to be involved with Roleplay for Life
 - It doesn't feel like we can contribute that much
 - It's very close to Uncharity and one of those events would probably suffer
- Charity Vigil has a problem
- Charity Vigil usually happens weekend before study break
- This is also the same time as the Hobbit's Picnic this year (happens on Bilbo Baggins' birthday)
 - Can't have it the week after for other club reasons
- Should we start Charity Vigil a couple of hours late, or have Hobbit's Picnic the weekend before or after?
 - Frankly it's looking like moving the Hobbit's Picnic is the best bet
- Halloween Party can't be had on Halloween because it's a Wednesday
- Adjacent Saturdays are the 27th and the 3rd of Nov
 - Little interest

- CCZ is a bad venue
 - Liminal space
- Could happen in the Tav?
 - Would make it more expensive because of venue hire?
- More difficult to do decoration
- Ed and Will can take care of the Halloween party
- Summer LARP
 - LARP is a little dead, and by a little I mean a lot
 - If we run the LARP this Summer, we can:
 - Run it similar to Winter LARP but bigger
 - Run it as another baby LARP like Winter
 - Not do it at all
 - Panto probably not involved this year
 - Unigames definitely interested
 - UniSFA probably interested
 - Maybe we should ask UASCA if they want to be involved with this
 - Autumn and Kurt can look after that
- Large events coming up:
 - Unigames is booking out loft for Board Games Night on 1st September
 - UG OGM 10th August
 - Panto OGM 31st November
 - Booking out Tav on 10th August
 - UAnime Quiz Night on 29th September
 - UAnime OGM at end of September

Christmas in July

- The event is up
- Hooray
- Please come
- You don't have to come to ice skating but come to movies
- Pizza run

Club Carnival

- Applications are opening up soon
- We'll be there
- Probably no sign ups
- 12 – 2 on Tuesday 7th Aug
- Two people at stall at all times

OGM

- Friday 17th Aug
- Week after Unigames'
- Bunch of constitutional changes
- Confirm Will's placement
- Proposed event: UniSFA proofreads the constitution
- I will do the EMP for that (thumbs up emoji)

Charity Vigil

- Screenings get boring after a while
- Find a way to monetise fantasy and sci-fi
- Ryan and Jaye are in charge

Relay for Life

- Autumn and Will can do that
- Figure out how to sign up for Relay for Life
- Committee will ruin their hair again
- Autumn to brain storm fun fundraisers

40th Anniversary

- Want to put up posters and send email today
- I will help Simon draft an email for that
- Need to send that email to Frames to send to Swan and Ghengis Cons
- Kurt get posters printed and approved
- Let's avoid physical tickets for this event
- Reminder 25th Aug 7-12
- Additional event for pre-40th meetup and chat in CCZ
- Ed is going to contact Felix, who organised catering at quiz night for our catering
- SPG grant open soon, Lion Nathan always open
- Autumn please submit these grants
- Potential price increase in 40th tickets to account for decoration and a little more catering
 - From \$25 – 30 to \$30 – 35
- Poster doesn't quite look like a poster, make it more obvious that it's an event

Hobbit's Picnic

- Should we run it a week before or after?
- A week after is when assignments are generally due
- A week before, then
- Putting it on Saturday 15th September
- I'll organise that

Halloween Party

- Ed to organise meeting with Panto, Unigames, and maybe UCC
- Do things Ed and Will

LARP

- Kurt get in contact with Unigames

Camp

- Still happening

Ideas

- Let's actually UniSFA goes to a superhero movie

Screenings

Next Week

Monday: Shitposts w/ Fin

Friday: Homestuck

Ed to contact Tim for Korra

Tenancy

- The room looks nice

Finance

- Finance report:
 - Mostly recaps of the accounting spreadsheet
- We've spent a lot but our net loss after grants is \$200
- The fridge may be losing money yikes
- There's a deficit of about \$500 in the club fridge revenue
 - YIKES
 - There are many explanations potentially for this
 - We suspect that the money coming to April at the beginning of the semester might have been miscounted
 - Or some other stupid accounting error
 - \$200 of food yet to become profitable, \$50 of expired food, \$50 on cutlery and other non profitable goods, about \$100 of current food
- Buy less food so there's not so much in the cupboard at any given time
 - Biggest profit from selling books at Swancon
 - LARP hadn't made a profit when Autumn did this report, but it has now
 - Quiz Night was also profitable
 - Thank God
 - Winter LARP broke even
 - Biggest losses.jpg
 - Book buy
 - Marquee
 - Book repair
- None of this includes O Day sign ups
- We might make a profit on the 40th
 - Also maybe the Halloween party
- Let's advertise in Cam Hall, and also downstairs that we sell food
- I will attach the file

Fridge Runs

- Still need to do a fridge run
- Autumn don't buy drinks or chocolate

General Business

- New FB emojis suck hot car tyres

Logos

- INHALE
 - SO
- Autumn wanted to commission an artist
- Ryan wanted to commission an 'artist friend'
 - Hard No on artist friends of all kinds
- Autumn is looking to commission a non-friend artist
- Autumn will contact them about our budget

Meme of the While

Cleric: "Fighter, how many Hit Points do you have left?"

DM: "Now wait. You can tell he looks hurt but you don't know what his actual health is at."

Cleric: "..Okay well, how hurt do you LOOK Fighter?"

Fighter: "Well, on a scale of 1 to 62 I look like about a 19."
