Events

Charity Vigil Debrief

- Major problems:
 - Left lots of organisation too long
 - Charity took a very long time to get back to sub-committee
 - Weren't overt enough about on the day planning
 - Lots of lead up planning
 - Who doing what where was left in dust a little
 - Assumed Ryan would have help doing pizza
 - Poor organisation of who would be where for Charity Vigil and what times they would be there
 - Many organisers left early, or communicated poorly about it
 - Should maybe have delegated more
 - Much general confusion
 - Rep availability
- Meeting communication is just... bad
- Stuffed up floats on day
 - Had to be rushed together
- \$1313.39

Sponsor Crawl

- 8 people came
- Good was had by all
- Made it through Stephen's, and both comic stores before lunch, then White Dwarf
- 29 books
 - Some have to be exchanged but it should be fine
- \$4.85 left
- Still want to buy more books
- Katherine has a few Splat buys in mind

Relay for Life

- Relay meeting happened last Thursday
 - Surprising small amount of information
- Autumn will pick team info on Friday
- Everybody needs to individually book their breakfast
- Autumn to post Relay information pack
 - Book breakfast by ASAP pls
 - Also Dominoes runs at 7PM and 9PM
 - Also food trucks
- We will not be given the map by the Relay People
 - We're in sort of the northeastish part of Oak Lawn
 - Sharing a huge 3 plot space with Unigames, and the Uwanime + UCC team
- I dubs 5 – 6AM for pain reasons
- Finley's Pro Tips:
 - DON'T

Halloween Party

- Not a whole lot has happened
- Tickets are being sold
- Other meetings are timetabled in
- Main thing now is: getting volunteers and rostering them on
- Need to sort out budget, and minimum amount of tickets to sell to not cancel the event
- Ref stall to sell tickets
- Will to ask for CCC volunteers in group
- There needs to be more pull for this event, it needs to be better than relocated house party with tickets
- Simon's on the edge

Camp

- We did not figure out house names
 - I am currently accepting recommendations for accessible memes
- Trying to organise whole committee camp meeting
- EMP is done, but some documents need to be attached
- Sign up sheets and tickets are prepared

- I am completing the itinerary after the meeting
- Autumn to visit Woodman Point
- Talked about menu
- We gotta big cooked brunch, and perhaps a cheese and BYO night
- Events were being run too loosely
- Everyone likes Avatar, let's not watch it this camp and actually encourage people to do camp stuff
- WE WILL MINIMISE THE PLAYING OF MTG
- Motion: Can we approve printing budget of \$20?
 - For: Unanimous

Summer LARP

- Just had meeting
- According to plan
- Trying to recruit writers
- Events is harassing Security about many things but have given us permission to sell tickets
- Early bird (\$12 instead of \$15) runs until camp
- LARP is on Feb 13th
- We be writing those minutes, we be writing those quests

CWAP Writing Competition

- We forgot to talk about so the dates we had are now impossible
- Let's run it during the holidays
- Because you don't need to be on campus to do it
- After camp in December?
- Start on 6th of December to about 6th of January
 - Writing period may not need to be so long because people are probably able to write during the day
- Ideas?
 - Summer !
 - Winter !
 - The beach !
 - The Occult !
 - Stories we tell ourselves to keep warm !
 - Liminal spaces !
- Next week committee to think of CWAP ideas

Screenings

MON: FMA w/ Harry

TUE: CCC Day

WED: Amnesia w/ Finley

THU: Shitposts w/ Finley

FRI: CCC Day

Tenancy

- Fumigation happened

- Hopefully no more cockroaches
- Lost property got very mixed up during renovations

Finance

- We spent an awful lot of money on books
- If we stop spending quite so much we could save more money
- If there's one thing we should be spending money on, it's books
- Simon would like to keep about 5-7K in the bank generally
 - We are well above this
- Fridge run soon
- We've found some tomato sauce

Library

- We got some missing Pratchett books
- Splat buy ideas:
 - Raven Cycle by Maggie Stiefvater
 - Akata Witch by Nnedi Okorafor
 - Crooked Kingdom by Leigh Bardugo
 - My Favourite Thing is Monsters by Emil Ferris
- Book removals next
- Maybe let's not get rid of the old and raggedy books because even if they bring the library down, there's a subset of members that actively seek them out

Subgenres System

- There should be one
- Possibly by stickers on the inside cover
- Start with books people commonly read then do others as they are borrowed

General Business

Social Media

- CCC can now use UniSFA

Website

- FB is linked to Deepthought's Google calendar which we've embedded into the website
- Nike has made a nice flashy like looking one
- Not meant to replace wiki, just the wordpress site
 - Can get ucc to redirect the unisfa.ucc.asn.au to the nice, new wix site
- Links to koha, rules, minutes maybe a place for library suggestions
 - Links to resources
- UniSFA should get a Goodreads account
 - Katherine to get onto this
- Perhaps a section on our YouTube or webcomic recommendations
- Bojack Horseman is sci-fi, you heard it here first

Literary Festival in May

- Claire Colman and Kate Forsythe are coming
- There are some fantasy and sci-fi authors coming
- Get involved ???
- UniSFA goes...?
- Could we perhaps do something with them
- Side note: let's advertise GhengisCon
 - 12-13th January

Logos

- We had some shit that happened
- We've tried to figure out how to align the horse and the ufo in the best way possible
 - It should look centred more than it should actually be centred
- Committee fights about fonts and typography for an extended amount of time
- Me to figure out Final Final Logo designs with font samples

Action Items

Everyone: Think of CWAP ideas, do sub-committee things

Fin: Do the Camp Itinerary; put most final logos together

Autumn: Post Relay Information pack; arrange site visit to Woodman Point

Katherine: Investigate a GoodReads account and a book classification system

Will: Find volunteers for Halloween Party

Fin: Keep working on the poster

Meme of the While
