## **Events**

### ***Halloween Debrief***

- It was fun for attendees
- And stressful for organisers
- Alaura made a mistake with ordering and picking up the alcohol
  - We ended up buying from BWS and not the Tav
  - We can probably still make alcohol profit
- 40 – 50 tickets sold
  - Nice
- Profit has been made
- Someone got over-intoxicated, but it was handled well by first aid and the dude got home safe
  - Alaura is writing up the incident report
- Feedback: include number of standard drinks on drinks menu
- CCZ utilised way better as a venue than last year
- Place food in a main area instead of side place
- Proper debrief meeting to follow

### ***Book Clubs***

- Venues at first said that our venue hire would be free about three weeks ago
- They emailed us today to say no, actually it will be \$165
- This is inconvenient
- Uniaccess will try to cover the whole event
- Just in case we are going to plan to budget half of the venue hire:
  - \$82.50
- This means Katherine can make the booking (again) today
- Vote to budget:
  - For: Unanimous

## ***Camp***

- Tickets on sale!!
- Please come to camp and buy a ticket
- Don't overtly peer pressure people into coming to events
- Please push camp tickets though
- Social media is a good way to push camp
  - Autumn is making a concerted effort to pressure people less
- Camp is end of the month
  - Last day to buy early bird tickets is the end of the month
- Committee and CCC should all be ready to sell tickets
- Keep sign up forms in a nice visible location
- Press F for fallen avatar screening
  - Teen Wolf instead
- Katherine to do alternate quiet schedule for camp
- We've cut \$200 from the camp food budget

## ***CWAP Writing Competition***

- CWAP is a bit waylaid because assignments

## ***GhengisCon 2019***

- Very small con
  - At St Georges
- Student prices
- We should advertise for it
- There are posters up for it
- Let's do something with it
- Katherine to email GhengisCon

## ***SLARP***

- LARP tickets are on sale !
- 1 ticket sold
- Starting to advertise to wider LARP community
- LARP budget includes:

## Finance

- We're fine
- Autumn to empty moneybox

## Library

- We are technically meant to be discussing the advanced copies but there may be some we want to keep
  - Katherine to develop list of advance copies that may be worth having
  - Van Ikin was not really meant to have given us any of them
  - Simon doesn't think its really worth it because they are both hideous and taking up space
  - We don't need 80 novelty books but we should keep some because they are cool to have
  - Koha is still down :(ul>  - Three weeks into bitter book famine
- Received quote for binding pdf copies of splat books (\$60 for soft, \$90 for hard)
  - Turns out that its more expensive than just buying US versions of books with shipping ( $\leq$ \$15 USD for Immortal Souls,  $\leq$ \$20 for Power and Magic, w/ \$22 for shipping)
- Simon threatens
- There isn't enough money to get all the books that Katherine wants so she has to prioritise :(ul>- List of books: Crooked Kingdom, My Favourite Thing Is Monsters, The Raven Boys, Dream Thieves for \$88
- Vote to do this:
  - For: Unanimous
- Edward thinks kitchen is spelled citchen
- Katherine is still investigating graphic novels coverings for when they are being borrowed
- She would like to avoid plastic covers because they are not good environmentally

- But fabric ones usually aren't waterproof
- WAX PAPER
