Screenings

Media to Screen

- There have been some complaints that committee are domineering screenings
- This is true
- We do want CCC to do screenings
- We are going to try actively collecting ideas from them instead of attempting to desperately fill every evening time slot in a committee meeting

Next Week

MON: Autumn's She-Ra

TUE: Probably Doctor Who

WED: Jack's Journey into Australian Sci-Fi

THU: Fin's Shitposts

FRI: Homestuck

Tenancy

Busy Bee

- It doesn't matter if the busy bee is on because we are at camp
- Also, we haven't had appropriate notice
- The tenancy AGM is in three days

Finance

- We got approximately the full grant - \$1
- We didn't get reimbursed for the Chuck Tingle books
 - We go to a university that teaches erotica as a core text
- Our \$660 40th catering claim got denied for reasons we don't understand

- It seems like it got denied so that it didn't go over the \$3500 cap
 - But other clubs did that and just got rounded down???
- Autumn did a fridge run
- UniSFA is still panning to use the UnCharity money to complete incomplete series
 - Also potentially buy nicer editions of classic books

Library

- Where can we get wax paper?
- Katherine can organise a Koha learning session
- We could replace the Asimov novels because they look gross
 - They have awful covers

Book Removals

- We added 60 books last week
- Let's not overdo it
- Please Katherine think of me having to minute the meeting where we look over these
- Don't put any more up
- If our friendship means anything to you, please

General Business

Logos

- No news, fam
