UnCharity Vigil 2

SLARP

- It is go
- Mostly done
- 4 people have bought online tickets
- We have generated interest
- We'll see how it goes

O-Day

- Kurt's working on the formatting
- We'll have the guides done by the 20th
- We have gift cards from White Dwarf, Quality Comics, and also some nice comics donated by Emily as prizes we can give out on O-Day
- Raffle tickets should be easy to acquire if we don't have any
- "There can be lots of many hundred." – Simon

- Send Will your O-Day availability, lads

Club Carnival

- Been booked
- Like O-Day but smaller

AGM

- Simon would like to propose that we move it to another day
- Quality idea: book our AGM at the same time as Unigames'
- We try to find another time, but fail

Prosh

- We should do this is Unigames
- Because we may not have the time to find a marshall

Committee Radar

- Fresher Welcome
 - Needs to be lowkey and welcoming
 - Needs to allow freshers to be able to make friends
 - What needs to be established by the FW?
 - Showcase club
 - Emphasise social aspect
 - Committee rolls through ideas of having a barbeque, book club, and a screening in various combinations
 - We should screen The Incredibles and Guardians of the Galaxy
 - Sausage sizzle and fairy bread
 - We should sizzle on Oak Lawn
 - Thursday the 7th
- SwanCon
- Fresher Oriented UniSFA Goes... (Captain Marvel?)

Screenings

- Let's do screenings again
- UCC wants to have screenings with us
 - We also want to have screenings with them
- There are some concerns about people loudly playing games during an events, but UCC door members can handle that
- We should collab with Panto like we were meaning to
- Plan O-Week screenings for next week

Tenancy

- Simon spoke to the Cam Hall presidents about how we want to present Cam Hall to new people
- Clean
- Fairy lights
- Better signage to find us
 - Katherine can do that
 - A UWAnime style sign will be at least \$65
- Vacuum
- We could hire out a steam cleaner and do it ourselves
- There are logistical issues with this
- The rug will be too wet to be on the unsealed floors
- We could do it here in Cam Hall, but where will we let it dry?
 - The landing? That's not a turbo idea though
 - Someone's house?
- Simon can look into this
- We need to de-ice the fridge

Finance

- Does we got money?
- Yes
- We had to deposit like a \$1000 out of the wall box
- Autumn's main responsibilities are the O-Day float and the grant

Library

- Committee's too sad this week to do book removals
- February's book theme: coming of age
- March's book theme: death
- Katherine has heard back from the publishers
 - Immortal Souls is still in print
 - Power and Magic is mostly out of print, but there are flawed copies we could potentially go for dependent on photos
 - Hartwood is a new comic that we could get instead of Power and Magic if we feel like it

General Business

- We have logos now
- Simon post about the new website and the new logo
- I will look into a badge maker for O-Day badges maybe
 - Let's make badges with the brand new logo on them
- Committee is so sad and so tired
 - Pour one out for us guys
